# Current Ministry News

## News of Tom and Ying Jie Conyers

The Conyers have received their employment pass from the Singapore government and Tom, the Covid situation, permitting, will be joining the staff team at Bethesda Church Bukit Arang as the Equip Pastor from March 1st this year. Their new church has 3 congregations (2 in English and 1 in Mandarin), with 700 members. Tom's main area of ministry will be to equip all members with the means and enthusiasm to spread the Gospel and training the 3 current ministry

apprentices, plus 3

new apprentices each year

Tom, Ying Jie and young Reuben are booked to fly out on February 13th, so they would value your prayer support at this time which is full of decisions to be made. Fortunately, we have a loving and miracle-working God into whose hands to entrust them.

### Please Pray...

- For a new FOCUS staffworker to be formally appointed soon, and that he'd get all the financial support he needs to get up and running in time for the start of the new academic year.
- For the UWA FOCUS students to stay faithful to Christ and adjust to the changes ahead.
- For Tom and Ying Jie to get all their logistics sorted as they prepare to move, such as getting tenants for the house, shipping some belongings overseas, and buyers for our car and furniture.
- For the Conyers as a family to manage culture shock well, and keep their relationships with each other and with the Lord strong through this transition.
- For the provision of a suitable place to live in Singapore.
- For Tom to settle into his new role at Bukit Arang, and that he would serve the church with humility, faithfulness and love.
